Gentlemen:

I am writing to ask you for an order
for eighteen pairs of shoes for the above named
Baseball team.

The shoes will be the property of The
Newark Eagles, and will be used for nothing but
playing professional baseball by the members of
the team.

Thank you for your cooperation. I will
greatly appreciate an early reply, as the team
is now in training, and we open the season here
in Newark Sunday May 16th.

Very Truly Yours
